Available in Color

The CDS OverDrive™ 4.6 and 4.8 truckmount extractors from HydraMaster are available in different colors, so they can match your truck, your company's logo, and your personality.

They are available in red, blue, warm gray, antique, gloss black, and green, and the gray and antique vein colors also have a black or silver color added to give the machine a textured appearance.

But no matter the color, the CDS systems provide unmatched power and savings, which is why they are the best-selling vehicle-powered truckmounts in the industry.

For more information, visit www.hydramaster.com, or call toll-free: 800-426-1301.
