Meet the Carpetrinser Family

Cleaning technicians are welcoming the Tornado[®] Industries Marathon Carpetrinser family of upright extractors to the world of carpet cleaning.

Select from three models: the Marathon 100 with 100 psi, 200 with 200 psi, and 400 with 400 psi.

All three are power equipped with twin two-stage, 1.6 hp vacuum motors, more than enough to deliver fast and thorough cleaning and drying.

Plus, the 400 model includes Tornado's Perfect Heat[™] technology, which generates temperatures up to 212 degrees (F) with no additional electrical power needs.

For more information, visit www.tornadovac.com, or call toll-free: 800-VACUUMS.
