So Many Features

The Multiwash 14 from Powr-Flite has so many features it's hard to keep track of them all.

This machine cleans both hard-surface floors *and* soft floor coverings including woven/ non-woven short pile carpet and carpet tiles.

The Multiwash 14 has counter rotating brushes that deep clean, wash, mop, scrub, and dry hard surface floors all in one pass.

Cleans up to 5,500 square feet per hour.

Expect outstanding cleaning performance on most all types of hard surface floors from wood and stone, to linoleum even marble.

For more information, visit www.powrflite.com, or call 800-880-2913.

About Powr-Flite

Established more than 40 years ago, Powr-Flite manufactures a full line of floor-care equipment and carpet extractors for the professional cleaning industry. Based in Fort Worth, TX, the company has over 20 patented designs and its products are recognized throughout the world for their innovation, durability, quality and performance. Their products are marketed directly to end-use customers as well as through distributors throughout the North America, Europe and the Far East.
