The Long Wait Is Over

U.S. Products announces that both the GWD 9 (9-gallon) and GWD 20 (20-gallon) wet/dry vacuums are now available and ready to roll.

Perfect for auto detailers and car washes, these rugged wet/dry vacs offer conveniences, durability, performance, and dependability that are unmatched by any other system.

Both systems come equipped with a powerful two-stage/1.8 hp vacuum motor that delivers 84 cfm and 82-inch water lift.

Both have a 10-foot/1.5-inch hose and are surprisingly quiet, with a sound level of only 64 decibels.
