HydraMaster Introduces the Titan 875

HydraMaster's Titan 875 truckmount carpet extractor surpasses all other truckmounts in power and versatility and is backed by the best warranty in the industry.

This powerhouse has a 61-horsepower GM Vortec® 1.6 liter, fuel-injected engine and a Tuthill™ 5009 tri-lobe blower.

Perfect for large commercial and residential jobs, water damage restoration, pressure washing, and

multi-wand applications, this machine is equipped with two, 2-inch hose connections for dual wand use.

A 2.5-inch Adapter Kit is available for a third wand. Pressure Washing Tool Kit is also available.

For more information, visit www.hydramaster.com or call toll-free **1-800-426-1301**.

About HydraMaster

HydraMaster was founded in 1969 by Michael C. Palmer, a Seattle-area carpet cleaner. The first machine was built in his garage. His training as a jet engine mechanic in the military along with natural-born talent were his key assets. So impressed with the machine, carpet cleaners throughout the area asked to purchase one. Forty years later, HydraMaster is a multimillion-dollar corporation with 150 employees and 90 representatives worldwide. The company manufactures several truckmount systems, a wide variety of

accessories for high-performance truckmounts, and specialized cleaning wands, including the powerful RX-20 HE.
